

Erratum for “Econometrics of Network Models”

Áureo de Paula*

University College London, CeMMAP, IFS and CEPR

(p.278) “Allowing for $\gamma = 0$, but (although not explicitly stated) otherwise under the same conditions (i.e., $\delta = 0 \dots$ ” should read “Although not explicitly stated, under the same conditions (i.e., $\delta = \gamma = 0 \dots$ ”
